

Chairman's Note – COVID-19 Update 7pm – 23rd March 2020

COURSE CLOSED

In view of the Prime Minister's directives this evening, we have been left with no alternative other than to close the golf course with immediate effect.

The booking system will be cleared, and future bookings disabled for the immediate future.

Further information will be circulated, once we've had more time to consider the next steps.

Thank you again in advance for your understanding during this difficult time

Richard Brown
Chairman of the General Committee
